2009 SJTPO STIMULUS "A - LIST" PRIORITIES
FOR POLICY BOARD ACTION
3-16-09

	PROJECT DESCRIPTION	DBNUM	MP	AMOUNT	DESCRIPTION
A1	Ocean Drive (CR619) Bridge over Townsends Inlet Recoating Steelwork	FSS09525		$2,400,000	Specs complete, no design needed; all permits in hand; SHPO staff has indicated "No interest" CED to be submitted 1/28/09
	Ocean Drive (CR619) Bridge over Grassy Sound Recoating Steelwork	FSS09526		$2,050,000	Specs complete, no design needed; all permits in hand; SHPO staff has indicated "No interest" CED to be submitted 1/28/09
	C.R.698 (Fairton-Millville Road)	FSS09552	1.2 - 4.4	$825,000	Mill & overlay travel lanes only; update w/ eco drainage heads
	C.R.607 (West Avenue)	FSS09538	6.24 to 7.38	$700,000	Mill & overlay existing pavement only; small area of 2" overlay of existing - no stream crossing involved; replace existing drainage systems in kind
	C.R.621 (West Park Drive)	FSS09540	2.16 to 2.77	$350,000	Mill & overlay existing pavement only; small area of 2" overlay of existing - no stream crossing involved; update with eco drainage heads
	C.R.628 (College Avenue)	FSS09542	0.0 to 1.45	$750,000	Mill & overlay existing pavement only; area of 2" overlay of existing - no stream crossing involved; udpate with eco drainage heads
	C.R.552S (Broad Street)/C.R.552 (Mays Landing Road)	FSS09531	0.95 to 3.41 & 15.27 to 15.80	$800,000	Mill & overlay travel lanes only; update with eco drainage heads
	C.R.655 (Lincoln Avenue)	FSS09544	0.0 - 1.9	$850,000	Mill & overlay travel lanes only; update w/ eco drainage heads
	C.R.697 (Atlantic Street)	FSS09551	0.0 to 0.53	$225,000	Mill & overlay existing pavement only; update with eco drainage heads
	C.R.622 (Cornwell Drive)	FSS09541	0.62 to 1.17	$350,000	Mill & overlay existing pavement only; update with eco drainage heads
	C.R.678 (Wade Boulevard)	FSS09549	0.0 - 1.32	$825,000	Mill & overlay travel lanes only; update w/ eco drainage heads
	C.R.638 (Burlington Road)	FSS09543	2.82 to 3.58	$700,000	Mill & overlay existing pavement only; update with eco drainage heads
	S. East Avenue, Chestnut Ave. to Landis Ave.	FSS09553		$1,069,000	Rehab of existing concrete road joint repair, curb & gutter repair, and bituminous overlay.
	E. Park Ave., NE Blvd. to N. Main Rd.	FSS09554		$965,000	Resurfacing of existing bituminous roadway with alligator cracking, trench restorations, and isolated areas of rutting.
	Vineland Traffic Signal Replacement	FSS09555		$462,000	Replacement of signal heads at 26 intersections to 12-in. LED heads, and replacement of antiquated ped assemblies with MUTCD standard assemblies
	CR 667 Harmersville - Pecks Corner Rd	FSS09556	2.6 - 4.7	$838,000	Resurfacing
	CR 540 Pointers Road	FSS09557	5.6 - 6.9	$895,000	Resurfacing
	Upgrade of 5 Traffic Signals in Wildwood	FSS09527		$500,000	Signal equipment upgrade
	A1-List TOTAL			**$15,554,000**	

2009 SJTPO STIMULUS "A - LIST" PRIORITIES
FOR POLICY BOARD ACTION
3-16-09

A2	C.R.540 & 747 (Almond Road)	FSS09528	31.4 - 33.1 & 0.0 - 0.1	$525,000	Mill & overlay travel lanes only; update w/ eco drainage heads
	C.R.552 (Irving Avenue)	FSS09529	3.8 - 6.0	$600,000	Mill & overlay travel lanes only; update w/ eco drainage heads
	C.R.552 (Sherman Avenue)	FSS05930	6.0 to 10.42	$1,515,000	Mill & overlay travel lanes only; update with eco drainage heads; update guiderail to current standards
	C.R.553 (Bridgeton-Port Norris Road)	FSS09533	1.1 - 8.3 & 11.8 - 15.4	$2,900,000	Mill & overlay travel lanes only; update with eco drainage heads; update guiderail to current standards
	C.R.553 (Fairton-Gouldtown Road)	FSS09534	16.17 to 18.73	$750,000	Mill & overlay existing pavement only; update w eco drainage heads
	C.R.553 & 611 (Centerton Road)	FSS09535	23.78 to 26.90 & 0.98 to 1.98	$1,100,000	Mill & overlay travel lanes only; update with eco drainage heads; update guiderail to current standards
	C.R.555 (Wheaton Avenue)	FSS09536	10.5 - 12.2	$1,500,000	Mill & overlay existing pavement only; replace existing concrete curb & sidewalk in kind; replace existing drainage systems in kind
	C.R.555 (Main Road)	FSS09537	12.07 to 15.53	$1,150,000	Mill & overlay existing pavement only; update with eco drainage heads
	C.R.610 & C.R.555 (Cedarville Road)	FSS09539	6.00 to 11.40 & 9.48 to 9.87	$1,600,000	Mill & overlay travels lanes only; update with eco drainage heads
	C.R.655 (Lincoln Avenue)	FSS09547	4.76 to 6.08	$750,000	Mill & overlay existing pavement only; update w/ eco drainage heads
	C.R.670 (Buckshutem Road)	FSS09548	8.53 to 12.54 & 13.37 to 18.08	$1,780,000	Mill & overlay travel lanes only; update with eco drainage heads
	C.R.678 (Wade Boulevard)	FSS09550	1.32 to 2.0	$350,000	Mill & overlay existing pavement only; area of 2" overlay of existing - no stream crossing involved; udpate with eco drainage heads
	Avalon Boulevard (CR601) Resurfacing	FSS09558	0.0 - 3.7	$1,191,000	Project does not require any permits and there are no cultural resources issues; project can be added to the Avalon Blvd Bridge Project (DB# S0401) as extension of project limits; See attached
	A2-List TOTAL			**$15,711,000**	

All projects are exempt; no conformity or LRP amendment needed

The phase for all projects is CON

No project is currently included in the STIP or SJTPO TIP, Minor Amendments (7 - day CAC notice) needed
