

Q&A for SJTPO FY 2012 Asset Management Data Collection

Updated: Wednesday, December 07, 2011

Question 1:

I am requesting to see if there is any "Past Bid Tabulations" available for when the project was done last. I saw on your website, that the project was out for bid in November 2010, but I didn't see any past bid tabs available. Also, who do I have to notify of being on the bid list?

Answer 1:

See FY 2011 Asset Management Data Collection, Winning Proposal, for the related Scope and Cost Proposal.
