WHEREAS, under 23 U.S.C. Section 134 and 49 U.S.C. Section 5303, it is in the national interest to encourage and promote the safe and efficient management, operation, and development of surface transportation systems that will serve the mobility needs of people and freight and foster economic growth and development within and through urbanized areas, while minimizing transportation-related fuel consumption and air pollution; and

WHEREAS, in 1993, the Governor of the State of New Jersey designated New Jersey's three Metropolitan Planning Organizations ("MPOs") to function as the main decision-making forums for selecting projects for the Statewide Transportation Improvement Program ("STIP") in deliberations involving the New Jersey Department of Transportation ("NJDOT"), the New Jersey Transit Corporation, county, and municipal transportation planners and engineers, other transportation implementing agencies, the public, and elected officials at the state, county, and municipal levels; and

WHEREAS, the three MPOs were defined as the Delaware Valley Regional Planning Commission, the South Jersey Transportation Planning Organization and the North Jersey Transportation Planning Authority; and

WHEREAS, to accomplish the objective cited above, the designated MPOs, in cooperation with the STATE and public transit operators, were required to develop transportation plans and programs for urbanized areas of the State; and

WHEREAS, pursuant to 23 C.F.R. Section 450.308(b), each MPO was required to develop a Unified Planning Work Program ("UPWP") which sets forth the transportation studies and tasks to be performed by, or on behalf of, the MPO, reflecting federal, state and local priorities, the funding sources for each task, the agency responsible for each task or study, and the anticipated work product for each item; and

WHEREAS, the STATE is a direct recipient of annual federal appropriations, designated as metropolitan planning, from the Federal Highway Administration ("FHWA") and the Federal Transit Administration ("FTA") to be used to fund each MPO UPWPs, activities, and special studies; and

WHEREAS, the STATE distributes the metropolitan planning funds in accordance with the metropolitan planning allocation formula developed by the STATE with each MPO and approved by FHWA and FTA; and

WHEREAS, the SJTPO was designated by the Governor of the State of New Jersey to serve as the responsible MPO for the geographic region comprised of Atlantic County, Cumberland County, Cape May County, and Salem County; and

WHEREAS, the SJTA has agreed to provide all personnel, facilities, payroll, and related administrative support for the SJTPO, including, but not limited to: purchasing, grants accounting, human resource management, payroll accounts payable and accounts receivable in the furtherance of the annual SJTPO UPWP activities; and

WHEREAS, the STATE, the SJTA and the SJTPO desire to specify the conditions applicable for the funding of the SJTPO's UPWP activities and the obligations of the STATE, the SJTA, and the SJTPO with respect to said funds; and
