**Re: Atlantic County Bikeway West Advanced Feasibility Study and Concept Development
Questions and Answers**

Q1. In the 2021 Feasibility Study, several references are made to the “Technical Appendix.” It does not appear that this is posted online. Is this something that can be provided?

A1. The Technical Appendix referred to in the 2021 Feasibility Study can be found in the SJTPO Document Library under “Other Products,” “South Jersey Trails, and specifically in the “Atlantic County Bikeway West Study Report Appendix.” A direct link can be found [here](#).
