

Last updated: 3/3/2026

Under the provisions of federal law and regulation, the approved UPWP can be amended in order to add new tasks, delete tasks, and reallocate funds between tasks. In some instances these changes may warrant approval by the SJTPO Policy Board and subsequent modifications to the Task Order, which authorizes federal funds associated with SJTPO's UPWP. Other revisions are included for information only and do not impact the funding associated with the UPWP. This table lists all revisions that have been made to the UPWP.

Revision #:	13	Revision Made On:	3/3/2026
		Revision Requested By:	SJTPO
		Task Order Modification:	Not Applicable
Task No.:	--	Task Activity:	--
Action Taken:	Informational Revision to UPWP

Revision #:	2	Revision Made On:	11/24/2025	
		Revision Requested By:	SJTPO	
		Task Order Modification:	Not Applicable	
Task No.:	--	Task Activity:	--	
Action Taken:	Informational Revision to UPWP			
Description:	When making other revisions to SJTPO's FY 2026 UPWP, the number of SJTPO Central Staff was updated under the SJTPO Structure within Section 1. Overview. As of the date of the amended document, SJTPO central staff comprises eight (8) full-time and three (3) part-time positions, with three (3) full-time vacancies.			
	Project Manager of various tasks updated to reflect new or recent vacancies, including the Program Manager - Safety Initiatives & Complete Streets, Program Manager - Capital Programming & Project Development, and Administrative Manager.			
Revisions Made To:	Text under the SJTPO Structure within Section 1. Overview and associated staffing plan, reflecting current and vacant positions within SJTPO's Central Staff.			

Revision #:	1	Revision Made On:	11/24/2025	
		Revision Requested By:	SJTPO	
		Task Order Modification:	PL-SJ-26-01 MOD 1	Fully Executed
Task No.:		Task Activity:	Technical Program	
Action Taken:	Approval by SJTPO Policy Board/Task Order Modification			
Description:	A new consultant-led effort, Task 26/403 Data Collection for SJTDM Recalibration and Validation, will be added to the Technical Program for \$221,881. The new seeks to retain consultant support to carry out a comprehensive data collection effort, which is necessary to ensure SJTPO's Regional Travel Demand Model (SJTDM) accurately reflects current conditions and must be completed in advance of any future recalibration and validation efforts planned for FY 2027.			
	The additional funds are available from previous unexpended balances from SJTPO's FY 2024 Technical Program and Planning funds, which were flexed to the Subregional Planning Work Program in FY 2025.			
Revisions Made To:	SJTPO Policy Board approved the action through Resolution 2511-31 Task 26/400 Technical Program was updated to include the addition of a new consultant-led effort within SJTPO's Technical Program (Task 26/403 Data Collection for SJTDM Recalibration and Validation). Additionally, the original placeholder of \$1,000,000 of HSIP funds has been removed as Task 26/403 Local Safety Program Design Assistance because of a pause in the State Local Safety Program.
